

2026-2027 Impact100 Greater Milwaukee

Impact100 Greater Milwaukee

Detailed Project/Program Information

Focus Area*

For internal purposes only. Please do not edit.

Character Limit: 100

Community Need

Describe the problem or opportunity this proposed project/program addresses. Explain what is happening, who is affected, why it matters, and how you know this need exists. Focus on the need itself.

(This was completed on the LOI and is provided for reference)

Character Limit: 1200

Evidence of Need*

Expand on the community need identified in your LOI. Provide relevant data, community input, research, trends, or other evidence demonstrating the scope of the need, existing gaps in services or resources and why it is important to address now.

Character Limit: 2000

Project/Program Summary*

Describe your proposed project/program and how it will address the community need identified above. Explain what you plan to do, how the people or community you serve will benefit, and what Impact100 Greater Milwaukee's \$100,000 grant would make possible. Briefly describe what makes this project/program impactful and transformative.

(This was completed on the LOI and is provided for your reference)

Character Limit: 1500

Project/Program Design*

Describe how the proposed project/program will operate in practice. Include the major activities, participant experience, staffing, partnerships, and key components necessary for successful implementation.

Character Limit: 2500

Participation Requirements*

Are there any restrictions or requirements to participate in this project/program?

Character Limit: 1200

Capacity to Deliver*

Describe the experience, expertise, staffing, leadership, partnerships, and organizational strengths that position your organization to successfully implement the proposed project/program.

Character Limit: 1000

Use of Impact Funds*

Describe specifically how the Impact100 grant funds will be used. If the grant will fund only a portion of the project, explain which components the grant will support.

Character Limit: 1500

Implementation Timeline*

Provide a timeline for the development and implementation of the proposed project/program, beginning with the anticipated grant award and ending with project completion. Identify what steps have already been completed, what steps remain, and the major milestones necessary to successfully implement the project/program. Include anticipated project start and completion dates and indicate when Impact100 funds will be expended. Impact100 Greater Milwaukee grant funds must be fully expended within two years of selection.

Character Limit: 2000

For Collaborative Project/Programs Only

How does Impact100 Greater Milwaukee define collaboration?

Please review the FAQs on our website for details on collaboration.

Is this project/program a collaboration with another nonprofit organization?

Choices

Yes

No

If yes, please list names of all collaborating organizations.

Character Limit: 250

For Collaborative Project/Programs Only

If your project/program is a collaboration as defined in our FAQ's, please briefly explain why each collaborator is important to the project/program.

(This was completed on the LOI and is provided for your reference. Our intent in asking this question was to identify collaborators on the specific project/program that were highly involved in its development and execution and would be required to submit financials, written commitment letters and signatures on the submitted full proposal.)

Character Limit: 1000

Please explain the roles and responsibilities of each key collaborator.

Character Limit: 1000

Certification

The organization's tax-exempt status under IRS section 501(c)(3) has not been revoked or modified.*

Choices

Agree

Disagree

Reports*

If selected to receive the \$100,000 Impact grant, the applicant organization will furnish interim reports and final reports showing that the grant funds were spent solely for the grant purpose.
