Who We Are

We are empowered women who join together as members, each contributing \$1,000 to fund transformational, sustainable change in Milwaukee, Waukesha, Ozaukee, and Washington counties. Since being founded in 2015, we have funded capital projects, new and existing programs, and collaborate efforts between small to medium size nonprofits in five focus areas:

It is a simple idea: one gift, one woman, one vote. Women make a fully tax-deductible donation of \$1,100 annually, \$1,000 of which goes directly to our grants—the remaining \$100 supports Impact100 Greater Milwaukee's operational expenses.
