

HOW TO USE MEMBER PORTAL & UPDATE YOUR PROFILE

THE MOST IMPORTANT THING TO DO IS TO CONFIRM YOU ARE A VOTING MEMBER AND UPDATE YOUR EMAIL ADDRESS. As we get closer to the Annual Awards Celebration #TheBigGive, it is critical that you make sure your email address recorded in your profile is accurate. This is how you will receive information and access to cast your vote. Impact100 uses OpaVote, a third-party voting service. OpaVote uses your registered email address to send you the link to vote. This email must be able to receive this external email, without any security restrictions that would not block you from opening the OPAVOTE link on your phone.

What do we mean by this? Sometimes, Impact100 members utilize a professional email address that is affiliated with their employer. In some instances, there is a firewall block on certain external emails and links that prohibit the member from accessing the voting site. This is not something we will be able to resolve at The Big Give event, which means the opportunity to vote will be forfeited.

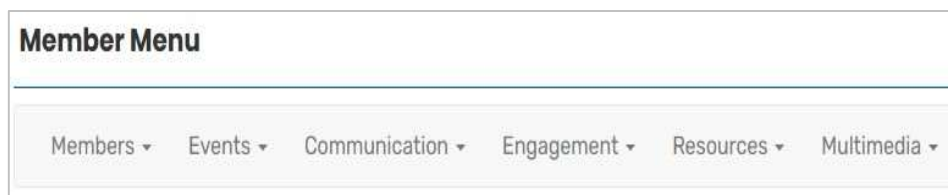

You MUST be a 2025-2026 Impact100 Member in order to Vote! Please check your Member Portal to confirm you are in fact a member.

WHAT IS MEMBER PORTAL? Each Impact100 Greater Milwaukee member has a personal profile that tracks things like name, address, phone number and email address. But it's more than that! You have access to all sorts of information right by using your MEMBER PORTAL!

Member Portal

Member Portal is accessible through the [Impact100 of Greater Milwaukee](https://www.impact100mke.org) website at www.impact100mke.org. From the HOME page, you will see a link in the upper right hand corner.

Once you are logged in, this link will take you to the Member Menu. Check out each of these dropdowns to understand what information is available for you to access.

You will also have access to our Member Directory, a great resource to help you stay connected with those new friends you make at our many events! You will also see links to our Volunteer Opportunities site as well as our Newsletters. Both of these are being built so stay tuned for more information there!

Below these key links, you will see “My Membership Information”. Use the links here to review and update your contact information, along with many other things, including your interests in volunteer opportunities. Take some time to explore these links. Please confirm your email address as one that can access OPAVOTE. And, consider uploading a photo!
